

6th January 2022

Dear Parents/Guardians,

Loreto College Foxrock will be offering individual singing lessons for students who are interested in receiving vocal training with our vocal teacher, Ms Sarah Kilcoyne. Ms Kilcoyne's lessons will cater for students' individual goals which may include classical singing exams, musical theatre exams, practical music exam as part of the Junior Cycle and Leaving Certificate programme, and performance opportunities which may arise throughout the school year.

Students will receive a weekly thirty-minute singing lesson priced at €20 per lesson. Lessons will take place during the school day (taking place on a Monday or Tuesday usually), with lesson times rotating weekly, to ensure that students are not continuously absent from the same subject. Students are responsible to find out what work they have missed from class, and to ensure it is completed on time. Students are asked not to change their lesson times, with the exception of unforeseen circumstances.

Singing lessons will take place in the school canteen classroom each week. This large room will have a Perspex screen which will allow additional protection to be given to all students and teachers. This area is a well-ventilated room, and a window will be open throughout all lessons. Touch point surfaces will be cleaned between lessons.

Lessons are scheduled to commence during the week beginning Monday 17th January 2022 and will continue for twelve weeks from January until May 2022 for the second term. Students are asked to sign up to the full term (twelve weeks of lessons). Payment can be made on receipt of an invoice from the school. This will be sent by the school once you have confirmed your daughter's place.

Please send an email to bcashman@loretodoxrock.ie to confirm that your daughter has permission and would like to avail of twelve individual singing lessons priced at €240 in total. Places will be filled on a first come, first serve basis.

Yours sincerely,

Ms Cashman
Music Department
