

3rd September 2021

Dear Parents/Guardians,

Loreto College Foxrock will be offering individual lessons for students in the following instruments: flute, clarinet, saxophone, oboe, recorder and cello (for beginner cellists). Our instrumental teacher, Ms Michelle LeMay will be providing the lessons in the school.

Ms LeMay's lessons will cater for students' individual goals which may include grade exams, the practical music exam as part of the Junior Cycle and Leaving Certificate programme, and performance opportunities which may arise throughout the school year.

Students will receive a weekly thirty-minute instrumental lesson priced at €22 per lesson. Lessons will take place during the school day, with lesson times rotating weekly, to ensure that students are not continuously absent from the same subject. Students are responsible to find out what work they have missed from class, and to ensure it is completed on time. Students are asked not to change their lesson times, with the exception of unforeseen circumstances.

Instrumental lessons will take place in the school canteen classroom each week. This large room will have a Perspex screen which will allow additional protection to be given to all students and teachers. This area is a well-ventilated room, and a window will be open throughout all lessons. Touch point surfaces will be cleaned between lessons.

Lessons are scheduled to commence during the week beginning Monday 13th September 2021 and will be divided into two terms consisting of 15 weeks per term. Students are asked to sign up to the full term (fifteen weeks of lessons). Payment can be made on receipt of an invoice from the school.

Please send an email to millemay6@yahoo.com to confirm that your daughter has permission and would like to avail of fifteen individual instrumental lessons priced at €330 in total.

Kind Regards,

Ms Cashman
Music Department
