Dear Principal,

We are contacting you to let you know of a 'pop up' Covid Booster Vaccine Clinic, this coming Wednesday, January 12th in Deansgrange. Due to a surplus of vaccine we are in a position to be able to offer the booster to the wider community. This clinic is open to anyone 16 years or older. We held a similar clinic last week with positive feedback & requests from some local schools & students to repeat it. Please feel free to let your student population know about this this clinic.

What: Covid Booster Clinic

Where: Kill O the Grange COI Church Parish Centre (beside SuperValu)

When: Wednesday Jan 12th, 2-5pm

How: 'walk-in', no appointment needed

Who: anyone over 16 years who is
3 months since last vaccine **or** 3 months since Covid infection

By: staff of Deansgrange Medical Centre

Bring: PPS number & Covid Cert

Pfizer Vaccine for all regardless of previous vaccine

Covid Certs will be updated by HSE following vaccination

We are very grateful to the parish of Kill O the Grange who have offered us their facilities and are supporting us to get our community vaccinated.

For more information see www.deansgrangemedicalcentre.ie

Please phone us to speak to one of the doctors if you have any queries. (01) 2892116.

Sincerely,

Dr Paul Gregan

Dr Elaine Donnelly

Dr Emer Fahy

Dr Aislinn Mc Donnell

Dr Deirdre Walsh
