

The Royal College of Surgeons

Mini Medical & Mini Health Sciences 2021 programme,

Date: 22 – 26 February 2021

The Programme: Encompasses the three schools of Medicine, Pharmacy & Physiotherapy.

This programme will be virtual, therefore there will not be a limit on spaces & all Transition Year students who register can attend.

While the event is online, attendees will not be required to turn on their cameras.

You will need to link below to register directly:

<https://rcsi.eventsair.com/rcsi-mini-medical-sciences-2021/minimed-2021/Site/Register>

The RCSI will contact you in early February with further details.

Registration will close on 12 February 2021.
