

15 January 2020

Dear Parents and Guardians

Thank you to all our students who are continuing to work very hard on- line in co-operation with their teachers. Despite the short notice of this school closure all students adapted and their teachers are delighted with the positive response they have received this week.

In the interest of all it has been decided to postpone all mock exams until after the mid term break. The earliest date on which mock exams can commence will be Monday 22nd February. We will give as much notice as possible regarding a start date when we can.

In the meantime, your daughter should continue to work hard and to co-operate with all of her teachers. If your daughter is unable to attend class, please use the notes section of the App to communicate this to the school. If your daughter is unable to submit work, please ask her to communicate with her teacher as soon as possible through Teams.

If you have any concerns regarding your daughter's wellbeing or progress, please do not hesitate to contact the school. Her subject teacher, the Guidance Counsellor, Learning Support, the Year Head and Ms Daly and I are happy to address any concerns you may have.

Once again, I wish to commend the 3rd year students on their positive response and we look forward to this continuing.

Yours sincerely

Bernadette Prendiville

Principal
