

LORETO COLLEGE

FOXROCK

22nd February 2021

Dear Parents and Guardians,

As midterm ends, we hope you and your families are feeling refreshed after a well-deserved break.

As you are aware, the Department of Education announced last week that the Junior Certificate 2021 exams have been cancelled. We wish to commend our 3rd year students who have worked consistently this year, both in school and online. As of today, we are still awaiting guidelines from DES. In receipt of any such clarification we will let you know immediately. Until then, school resumes tomorrow morning at 8.50 as normal.

We expect our students to continue with the great work and commitment for this term. Looking forward to seeing all students tomorrow morning.

Yours sincerely,

Carmel McGettrick and Leonora O'Shea
